

Surgical Oncology Webinars

Presented by the
The Global Oncology University (GO-U)
<https://www.ghcuniversity.org/>

Course Leader: Professor Riccardo A. Audisio

Harvard Medical School course assistants: William Swanson

SURGICAL ONCOLOGY WEBINARS: PURPOSE & OBJECTIVE

The purpose of these webinars is to provide continuous education on key topics relevant to surgical oncology practice, especially for participants from Low and Middle Income Countries. The webinars are presented live by subject matter experts. Enjoy interaction with the presenters in a live format or view the entire webinar after the event on your schedule. These extremely informative education sessions will be accessible after each webinar through the GO-U Education Portal

COURSE: INSTRUCTIONS

On the day and time of each lecture, the instructors and participants may join the webinar using the following link.

GO-U Course: Surgical Oncology Webinars (SOW)

Please join the lecture from your computer, tablet or smartphone.
